A CARD.

SEVERAL months ago, I purchased the entire stock of goods owned by BRANSON, FARRAR & CO., and continued the business, changing the name afterwards to Branson & Jones,—never using myself as Proprietor and Mr. Branson as Agent for the N. C. Business Directory. But as some persons seem, erroneously, to consider it a partnership or to blend the interest of the former firm with my own I shall henceforth conduct the business under my own name alone, unless some partner should be taken hereafter. Mr. Branson will continue to be General Agent for the N. C. Directory, which will necessarily engage most of his time and attention.

I shall be pleased to furnish our friends and the public with BOOKS, STATIONERY, SHEET MUSIC and other articles in our line, at lowest cash prices.

THE ADJOURNMENT.

The General Assembly adjourned, according to order, at 5 o'clock, this morning. The adjournment, in fact, took place on Saturday morning.

It would have been well, from what we learn, for the credit of the State, if Saturday night's session of the House could have been avoided. Our Reporter will probably furnish an account of the disgraceful scenes then and there enacted.

The captions of the acts, which we publish on our first page, are copied from the rebel Radical paper in this city, and, though not complete, lacking a few acts, &c., passed on Saturday, will give an idea of the labors of the session.

The action of the dominant majority will be subject to review and criticism during the canvass, and it will be seen that a more vindictive partizan body never assembled in this State. The extravagance and waste exceed anything ever before known among us, which the people will hardly begin to see or feel until the body returns in November, and shall propose to provide the ways and means by taxation and an increase of our funded debt, to provide for its reckless expenditures. The carpet-baggers have been remarkably successful in the work of plunder, and scarcely failed in a single instance to "feather their own nests" largely.

Clothed with power in the State, and having a majority sufficiently large to do its will, some might have looked for moderation, if not magnanimity, in its action; but they will look in vain. The public interest, and the public feeling, demanded such legislation as was calculated to soften the asperities of the past, to preserve the public quiet and promote harmony as far as an honest difference of opinion would allow, but, instead of this, every measure which could excite and promote discord, and keep up the irritations of the past, seems to have been eagerly and of set purpose sought for.

If so, how was it that, especially in the Senate, the closing scenes were so harmonious? Custom has established in legislative bodies the exhibition of courtesy to the presiding officers, even where they may not be strictly entitled to it—a custom, however, which we do not sanction at the expense of truth. But in this instance the presiding officer of the Senate had exhibited towards the minority more than cordiality courtesy, we suppose, and withal Conservatives are generous, forgiving, nay, magnanimous, even to their foes. We are glad to see a kindly spirit even towards those who would oppress and degrade us. The good book tells us, "Love your enemies," and that is our warrant.

CHARGE! CHARGE! CHARGE!!

Never was a party more vulnerable, more utterly offensive to the high toned, honest people of the South, than the Radical party. Never were candidates more personally offensive, more utterly incompetent, to fill the high position, for which they have been selected, than Grant and Colfax. The want of capacity, especially of Grant, for the civil administration of the affairs of the great nation, is known to every school boy. Never were the measures, professed principles and practices of a party so utterly indefensible. The policy of the Conservatives and Democrats is, therefore, perfectly plain. *Charge upon them!* Expose their incompetency—their revolutionary spirit—their disregard of the Constitution—their enmity to civil liberty and to the rights of the white freemen of the South. Charge upon their extravagance and waste—their dishonesty, their plunder upon the public purse.

The Democratic platform requires no defense. Its principles go home to the conscience, the good sense and the intelligence of the nation. Horatio Seymour, as a statesman, a man of intelligence, of unblemished integrity and moral character, stands head and shoulders above the whole tribe of truculent demagogues and intriguers who control the Radical party. He, nor Francis P. Blair, need any defense. They stand upon the Constitution and the Union, and upon high moral grounds, which the assaults of our enemies cannot reach. Therefore, we say, we are on the offensive. *Charge upon them and carry the war into Africa.*

GRANT says "Let us have peace." What does he mean but that the "Empire is peace?"

GENERAL ASSEMBLY OF NORTH CAROLINA.

BY AUTHORITY OF CONGRESS.

FIRST SESSION.

SENATE

EVENING SESSION.

FRIDAY, Aug. 21, 1868.

The Senate was called to order at 8 o'clock.

Mr. Rich introduced a bill to incorporate the State Loan and Trust Company, and, on his motion, it passed its several readings, under a suspension of the rules.

The following bills passed their third readings:

Bill establishing a lien in favor of Mechanics and other laborers.

Bill providing for the election of Presidential Electors.

Resolution in favor of certain persons holding claims against the Insane Asylum.

Bill in favor of Mrs. Sarah Mann.

Bill to incorporate the North Carolina Iron and Steel Rail Company.

Resolution in favor of A. J. Summerwith, Tax Collector of Wayne County.

Bill to incorporate the Dismal Swamp Steam Transportation Company.

Resolution in favor of W. H. & R. S. Tucker.

House Resolution appropriating $500 for contingent expenses: Mr. Robbins asked if this appropriation was to defray the expenses of the *third branch* of the Legislature.

Mr. Jones, of Wake, said he knew something about that branch, and it was not for that purpose. [There has been a bar established in the Capitol, which has been accessible to any body who desired to drink something stronger than water, and a large majority of this moral Legislature stepped in often and took *'nuger in there.*" It was better known as *the third branch* of the General Assembly.]

On motion of Mr. Sweet, the resolution allowing John W. Stevens, (the would be Senator from Caswell county,) the same *per diem* and mileage as members, from the beginning to the end of the session, passed. Those who voted in favor of the motion were Messrs Bellamy, Cook, Davis, Galloway, (negro), Hayes, Leggett, Moore, of Carteret, Sweet, Welker and Winstead—12.

Nays.—Messrs. Barrow, Brogden, Barnes, Blythe, Eppes, (negro,) Harrington, Hyman, (negro,) Jones, of Wake, Lassiter, Melchor, Purdie and White—12.

No quorum voting, the resolution was lost.

The Senate adjourned until to-morrow morning.

SENATE.

SATURDAY MORNING, Aug. 22, 1868.

The Senate was called to order at 9 o'clock.

CALENDAR.

Bill to incorporate the McLean Fire Company, in the town of Fayetteville. Mr. Harrington said this bill had been sent up by this Company to Col. Sinclair, a representative of another constituency. They had overslaughed their own representatives simply on the ground of partizan malignity, and moved that its further consideration be postponed until the 3rd Monday in November next, which was carried.

Bill to establish a Criminal Court in the City of Raleigh. Mr. Welker stated that as Mr. Jones the Senator from Wake was absent and desired to have a hearing in favor of this measure, in order to give him an opportunity, moved its further consideration be postponed until the 3rd Monday in December next.

Mr. Robbins hoped the motion would prevail, as the citizens of Raleigh were utterly opposed to any measure which is calculated to increase their present burdensome tax, and the motion of Mr. Welker prevailed.

On motion of Mr. Robbins the Resolution in favor of J. W. Stevens, (which failed to pass last evening for want of a quorum,) was taken up and Mr. Sweet offered the following as a substitute:

Resolved, That the President of the Senate be and is hereby authorized to give to John W. Stevens, contestant of the seat of Bedford Brown, of the 24th District, a warrant for *per diem* and mileage from the commencement of the session, to include Aug. 18th, 1868. Also to the following persons who presented certificates of election but were declared ineligible, the latter warrants to extend to the time at which they were respectively declared ineligible to-wit: Ed W. Jones, W. A. Allen, Bedford Brown and Josiah Turner, Jr. *Provided*, That no warrant issued by authority of this resolution shall embrace the time during which any one of the above named persons was absent from the seat of government.

On motion of Mr. Hays, the question was divided. Those who voted to allow Mr. Stevens *per diem* and mileage, are Mess. Barnes, Beasley, Bellamy, Burns, Cook, Davis, Epps (negro) Hayes, Harrington, Hyman, Lassiter, Legg, Long, Martindale, Osborn, Rich, Robbins, Sheffner, Sweet, Wilkie, White, Wynn and Winstead.—24.

Nays.—Mess. Brogden, Blythe, Melchor, Moore, of Carteret and Moore of Yancey—5.

Those who voted to allow *per diem* and mileage to the four Senators who were declared to be ineligible, are Mess. Burns, Beasly, Cook, Davis, Epps, (negro) Harrington, Hyman, (negro) Lassiter, Legg, Long, Osborn, Rich, Respass, Robbins, Sweet, White, Wynn and Winstead. 19.

Nays.—Mess. Bellamy, Brogden, Burns, Blythe, Hayes, Melchor, Moore, of Carteret, Moore, of Yancey, and Welker, 9.

The substitute was adopted and passed its several readings.

Mr. Winstead introduced a resolution prohibiting the removal of library, &c., from the Supreme Court room, and authorizing the Superintendent of Public Instruction to procure a room elsewhere. Adopted.

Messrs. Bellamy, Brogden, Hyman, (negro,) Cook, Hayes, Legg, Long and Welker voting in the negative.

Mr. Osborne introduced a resolution in relation to the importance of constructing the Southern Pacific Railroad and requesting the Representatives of this State in Congress to use their efforts to procure an appropriation to complete the same, and also to procure an appropriation to repair the damage done to the Governor's Mansion by the Federal troops who occupied it after the surrender. Adopted.

Bill in relation to the Mayor and Commissioners of the town of Newport, Carteret county, passed its third reading.

Resolution instructing the Treasurer to pay Mr. T. R. Caldwell, and two others, $100 each, for services rendered the State in 1863, was postponed until the next session, by the request of the President.

It having been agreed by common consent, on yesterday, that the Senators should present to the President of the Senate, a substantial proof of their respect, and Mr. Robbins, having been selected to present the same to-day at 12 o'clock, at the appointed hour, on motion of Mr. Rich, the Governor and other State officers, were invited to seats on the floor.

Mr. Robbins, holding in his hands a fine gold watch and chain, arose and said:

MR. PRESIDENT:—Men of earnest souls and stern convictions may expect often to find each other opponents on the world's wide field of battle, contending sometimes with burning words, sometimes perhaps with flashing blades. In that arena, true heroes ask only for foemen worthy of their steel.

But there is also a neutral ground, where the white flag always waves, and where those who have been valiant in conflict may meet in peace, and, for a while, lay down their weapons. Upon that ground, and under that white flag, the members of the Senate are now met, to dedicate this hour to the offices of friendship. That we are able to meet for such purposes, and on such terms, is largely due to the example of uniform courtesy which you, Sir, have set us as our presiding officer.

Feeling this, as we all do, without respect of party, the members of this body have deemed it proper, in addition to the resolution of thanks heretofore unanimously adopted, to present to you a more substantial token of their kindly sentiments and sincere regard. And they have selected me to communicate to you their message of friendship and good will, and to accompany it with the presentation, in their name, of the handsome gold watch and chain which I hold in my hand.

This chain is emblematical of the golden links of friendship. The watch, in the constant and regular movement of its machinery, symbolizes the pulsations of a true heart.—And it is also a type of perfect honesty; for it always shows on its face what it feels within.

In the name of the Senators, I present it, Sir, to you, with the wish that each hour of time, which it shall mark, may bring an increase of happiness and good fortune to its owner.

At the close of Mr. Robbin's remarks the President responded as follows:

GENTLEMEN.—Your kindness overpowers me. In vain I search for words to express my gratitude to you. This is a compliment beyond any which I had a right to expect. I accept the beautiful, generous present with my most profound acknowledgements and shall always esteem it as the proudest trophy of my life. I shall preserve it while I live and transmit it as one of my most valued treasures to my family. May God bless you, my friends, and protect and defend you during this life and eventually care in the life which is to come, is my most earnest prayer.

On motion, the Senate adjourned, until Monday morning, at 5 o'clock.

HOUSE OF REPRESENTATIVES.

BY UNDERGROUND RAILROAD.

SATURDAY, Aug. 22, 1868.

House was called to order at 10 o'clock. Prayer by Morris (negro) of the House.

On motion of Proctor the reading of the Journal was dispensed with.

A message was received from the Senate announcing the passage of several bills.—Among them a resolution investigating the action of the Committee on Public Grounds and Buildings in moving the Supreme Court room.

Hodgins explained and sustained the action of the Committee.

Mr. Argo said that there was a law giving those rooms to the Supreme Court; therefore a mere resolution of the Committee vacating them was invalid, and he moved to concur in the resolution.

Hodgins moved to lay the motion on the table. Lost.

The resolution was then concurred in.

Proctor moved a call of the House.

Estes moved to lay that motion on the table. Carried.

CALENDAR.

The bill to incorporate the Deep River Navigation Company was taken up and passed its third reading.

The Senate bill to incorporate the Roanoke Batteau Transportation Co., passed its last reading.

The Senate bill, to charter the Union Emigrant Transportation Co., was, on motion of Hayes, (negro,) laid on the table.

A petition from the citizens of Chatham county was postponed until next session.

The bill to amend the charter of the Cheraw and Salisbury R. R. Co. was laid on the table, on motion of Proctor.

The Senate bill incorporating the Loan and Trust Co. passed its final reading.

The bill concerning refunding bonds—requiring them to be filed in the Clerk of the Superior Court's office,—passed its third reading.

The Senate bill relating to suits pending in the late County Courts:—Mr. Fou said that the bill was a long one and the Engrossing Clerks had already a large amount of work to do; he moved to postpone it until next session.

The motion did not prevail. The bill then passed its final reading.

The Senate resolution, being the report of the Committee on claims in favor of certain parties, passed its several readings.

Senate bill No. 103, to amend the charter of the Mecklenburg Female College, passed its third reading.

Senate bill 107, to facilitate the settlement of estates of deceased persons and for other purposes, passed its third reading.

Senate bill to amend sec. 5, chap. 85, Revised Code, passed its third reading.

House resolution in favor of W. H. & R. S. Tucker for articles:—Passed its several readings.

The report of the County Commissioners of Washington county, dividing the county into townships, was postponed until next session.

Senate bill 129 relating to the Mayor and Commissioners of the town of Newport, Carteret county, allowing them to appoint an inspector of Naval Stores, passed its last reading.

A message was received from the Senate asking the concurrence of the House in a resolution continuing the Supreme Court in their old rooms, and that the Committee be instructed to find other rooms for the Superintendent of Public Instruction and Auditor.

Mr. —— moved that the House concur.

Stilley moved to lay the resolution on the table. Carried.

On motion the House then adjourned until ½ past 8 o'clock this evening.

GEN. GEO. D. ROBINSON, formerly an uncompromising Radical, has been in Florida, for eighteen months, witnessing the conduct of the carpet-baggers, and has returned to his home in Auburn, N. Y., thoroughly converted to the Democratic cause. He made a speech in that city, at a Democratic meeting, on Monday night last.

A NEGRO officer of the Butler Zouaves, who recently accompanied the body of Thad. Stevens to Lancaster, Pa., and who were treated so unceremoniously by the Pennsylvanians, after his return to, Washington said to another colored friend:

"Why, you niggers tink Mister Grant go ing to be lected? Cass, chile, I ain't seen no Grant flag since we left dis city. Why, everybody hurrahing for Seymour and Blair every place we went. No, indeed, niggers, Grant ain't going to be lected, sho."

THE PETERSBURG *Index* says:

"Since Holden turned the *Standard* over to its carpet bag owners, it is more venomous and indecent than ever."

UNDER a proclamation of Gov. Smith, the people of Alabama will vote in the Presidential election, notwithstanding the action of the Legislature.

A NEGRO CRIMINAL RESCUED FROM THE HANDS OF THE POLICE AT ATLANTA, GA.

ATLANTA, Aug. 19.

Between 10 and 11 o'clock last evening a drunken and unruly negro was arrested by two policemen in front of the National Hotel. The police were proceeding to the guard house with the prisoner when a mob of negroes pursued and attempted a rescue. The police resisted and the negroes collected, and, using clubs, the police were knocked down and the prisoner escaped. At this time some person in the mob gave word to fire, and the negroes did so, wounding a policeman. The fire was returned by the police and the discharges followed in rapid succession. One negro was killed and two wounded, when the negroes fled; but they rallied again near the guard-house and again moved forward to attack the police. By this time the whole police force and a large number citizens were on the ground, prepared for conflict. When the negroes saw the determination to protect the lawful authorities they rapidly dispersed.

GEN. MCCLELLAN.—It is rumored that Gen. McClellan is about returning home to take an active part in the coming election. We hope the rumor may prove true. The General's name alone would be a tower of strength with his old comrades of the Army of the Potomac, and they would follow his lead in the political as they did in the military campaign. His services in Pennsylvania would be of immense value in the October election, and ought to be secured if possible.—*Wash. Express.*

Thaddeus Stevens' will has been admitted to probate. He donates the bulk of his property to his nephew, Captain Thaddeus Stevens, on condition that he totally abstains from intoxicating liquors, and in the event of his failing to make the condition good it goes for the erection of a refuge in Lancaster for homeless and indigent orphans, without regard to race, color, religion or descent.—*N. Y. Herald.*

NO MONEY FOR THE CARPET-BAGGERS.—Gov. Scott, of South Carolina, reports here that he cannot procure the loan authorized by the Legislature. He has been offered only $25,000 on sixty days' time, and the bonds to be antedated so as to mature prior to the Presidential election. The Radical officials of the State are alarmed at the prospect of being paid off in "certificates of indebtedness," which must depreciate.—Gov. Scott doubts if the credit of the State can be sustained.—*Wash. Evening Express*

NEW ADVERTISEMENTS.

VEGETABLE PILE OINTMENT.

TO THE PUBLIC.

For 25 Years I was sorely afflicted with the Piles. After trying every remedy I could hear of and failing to receive any benefit, in 1847, I discovered a remedy, purely vegetable, which effected an entire cure and I have had no return of it.

Anxious to relieve the afflicted and to promote my own benefit, I made public my discovery and had the gratification to know that my remedy cured a large number of persons. My ointment was advertised in the public prints and I met with good success, until the war came on.

By the advice of friends, I have determined again to manufacture the OINTMENT and offer it for sale. Any number of certificates of its value could be obtained if necessary.

Price of box $1, and postage when sent by mail. As soon as I can make arrangements, I will put it in the hands of the druggists of the State.

COLUMBIAN COLLEGE, WASHINGTON, D. C.

THE SESSIONS OF THE SEVERAL Departments open as follows:

The PREPARATORY, September 9th; the COLLEGIATE, September 23rd; the THEOLOGICAL, October 8th; the LAW, October 14th; and the MEDICAL, October 19th.

This College was organized with a reference to the oft urged suggestion of WASHINGTON, that a University, at the Federal Metropolis, would tend to the assimilation of the principles, opinions and manners of our countrymen, by the common education of a portion of its youth from every quarter." Its graduates have verified the expectations of Madison and Monroe, that the facilities of hearing debates in Congress, arguments in the Supreme Court and Lectures from eminent men, and of visiting Libraries and Collections in Science, gathered at this centre, would foster a comprehensive mental development.

The Preparatory School gives a thorough training for business, and preparation for College. The College proper has eight efficient Professors; all the Chairs being filled. The Theological school has three Professors and Lecturers: the Law School four, and the Medical, ten. The expenses are as low as at other Colleges—Number of students the past year, 434. BARBECUE AT TUCKER'S MILL.—About three hundred voters were assembled at Tucker's Mill, House's Creek District, on Saturday, on occasion of the Democratic Barbecue. Many of the old men of the county were out, and the assemblage was one of the most orderly, respectable and enthusiastic we have ever seen in the county.

About 12 o'clock, the crowd was called to order by Dr. Forrest, Vice President of the Seymour and Blair Club, who introduced ex-Gov. Worth to the audience. Governor Worth proceeded to address the people for about an hour in a practical, effective and impressive speech, which was listened to with profound attention and gratification.

The Associate Editor of this paper was next called out, and addressed the assemblage at some length. He was followed by Dr. H. Y. Rogers in an earnest and telling speech.

Dinner was then announced and *enjoyed*. Our friends had provided a very bountiful and well-prepared Barbecue, which did credit to their hospitality and their zeal in the good cause.

After dinner, in response to calls from the crowd, admirable speeches, full of point, and characterized by force and earnestness, were delivered by R. C. Badger, Esq., Capt J. Q. DeCarteret and C. M. Busbee, Esq.

Great changes have taken place in this District, and our friends are sanguine of the best results. They are enthusiastically alive and working.

We owe the Committee of Arrangements, and our friends, generally, many thanks for their courtesies on Saturday.—Everything was gotten up and conducted in the best style.

ROLESVILLE.—We learn that a large number of the citizens of the County attended the meeting of the Seymour and Blair Club at Rolesville, on Friday last. Judge Fowle addressed the people with great power and ability. A large number of persons have joined the Club. Rolesville is alive, and will do its duty.

NATIONAL FLAGS.—We have had enquiries from several sources, asking if it be possible to obtain National flags in this city. We regret to state that there are none to be had. The demand is greater than the supply.

MONSTER FLAG POLE.—The Democratic Executive Committee of Craven intend raising at once a monster flag pole, 150 feet long. A flag, bearing the names of Seymour and Blair, manufactured by the patriotic ladies of Newbern, will float proudly at its head. We know you are right. Go ahead!

REV. J. M. ATKINSON, Rev. E. Hines and Col. J. S. Amis, Esq., by order of Orange Presbytery, organized a Presbyterian Church at Henderson, on Saturday last.—Divine service was held in the new Presbyterian Church, on Saturday and Sunday.

WM. A. PHILLIPPOTT, the late Sheriff of Granville, is President of the Seymour and Blair Club at Oxford. We are glad to see that Judge Gilliam, Col. Amis, Maj. Littlejohn and Col. Venable are addressing the people of Granville.

THE NEW Methodist Church in Oxford will be dedicated on the 30th inst. Rev. Dr. Moran and Rev. C. B. Riddick will officiate on the occasion.

GEN. D. H. HILL, of Charlotte, is spending some time in Kentucky. Don't blame the General for rusticating in that *healthy* State. Ninety thousand Democratic majority is enough to cure a sick man going thence from Africadom.

THE YOUNG men of Wilmington are talking of getting up a Brass Band. Most of the white bands formed in the State have fallen through, but we judge Wilmington could make one *stick*.

THE CITIZENS of New Hanover had, on Thursday, a grand success at their barbecue, at Caswell Point. A large number of Democrats, white and colored, were in attendance. Able speeches were delivered by Messrs. Devane, McRae, Waddell and Judge Meares. Several colored men addressed the crowd, and a Democratic Club was organized of colored persons.

THE CITIZENS of Duplin propose to give the colored Democrats of that County a barbecue, on the 29th. inst., at Kenansville. Our friends are alive in old Duplin.

MAJ. BARRETT, of Lenoir County, had his house literally robbed of every thing by a band of negroes, a short time since.

MESSRS. MORELY and Shields have purchased the Richmond *Whig*. It warmly supports Seymour and Blair.

"LET US HAVE PEACE," say our Chapel Hill friends, to which we say, Amen!—They further wish us to state: "On Saturday, the 29th. instant, at 12 o'clock, the National Democratic party will raise a Seymour and Blair Flag in Chapel Hill. Hon. W. H. Battle, Jonas Watson, Esq., and other distinguished gentlemen, will address the people at the same time. Come one! Come all!!"

POLITICAL DEGENERACY.

The following resolution in reference to the meanness and malignity of the President of the North Carolina Railroad in refusing to allow our delegation to pass over that road, at reduced rates, was passed by the Wilmington Democratic Club at its last meeting. This action on the part of the Club was eminently just and proper:

Resolved, That the Democratic Club of Wilmington deems it proper to express its sense of the discourtesy on the part of the President of the North Carolina Railroad, in refusing the use of his Road to the trains taking the Delegates to the State Democratic Convention in Raleigh; and believing such refusal was for political reasons, and altogether unusual under similar circumstances, we denounce the same as unjust to the stockholders in that Road.—When it is remembered that this is the man who formerly delighted himself in hunting, with dogs, absentees from the Confederate army, thus evincing his zeal in *that* cause, it is less surprising he should display his present zeal in behalf of Radicalism in the offensive manner we now condemn.

In spite, however, of the fact that Smith's conduct was of such recent date, and was known to every one, it is unblushingly announced, in the call of the Republican Rally, published in the *Standard*, of the 17th. of August, that "arrangements will be made to procure tickets over the Roads at reduced rates!"—*Wil. Journal.*

Smith denies the charge that he hunted Confederate absentees or deserters with dogs. The charge has been repeatedly made, upon what authority we do not know, and we find that many persons believe it.—*Sentinel.*

FRUIT DISTILLERS.—The Radical party has shown itself so oblivious of laws and Constitutions, that they are disposed to involve others in the same guilt with themselves. The honest people of North Carolina are disposed to obey the law. Nine tenths of our people never knew, until a short time ago, that the Radical Congress had imposed a tax of $400 on every fruit distiller in the land. Thousands have been in the habit of distilling a few gallons of brandy for their own use, and many, during this fruit season, had prepared to distil their little fruit, when, lo and behold! about the time the fruit is ready to rot, the public are informed that every fruit distiller must pay a tax of $400! This is an unheard of outrage. Of course, it amounts to a prohibition. We hope, therefore that our people, instead of attempting to distil their fruit, although many of the tax collectors had already, as we learn, given them license to distil, will convert their cider into vinegar. Good vinegar is always in demand, and there is more money made now in making vinegar than brandy. Let them defeat the aims of the rebel-Radical Congress and party, who keep them in ignorance of the law, and then turn upon them for exorbitant taxes.

THIRD CONGRESSIONAL DISTRICT.

At a full consultation of the delegates from this District, at the late Convention, it was determined to call a Convention and Mass Meeting at Fayetteville, on Wednesday, the 9th day of September next, to select a candidate for Elector, and also for Congress.

SIXTH CONGRESSIONAL DISTRICT.

SEVENTH CONGRESSIONAL DISTRICT.

The Asheville *News* announces that the District Convention of the Democrats and Conservatives for the seventh Congressional District will be held at Asheville, on the 27th inst.

From the Wadesboro' Argus.

To the Editors of the Argus:—I heard two or three times last week that Mr. Macfarland, the Agent of the Bureau of R. F. and A. Lands, at this place, had said that he had orders from Headquarters to report the names of such colored persons of Anson county as left the Union League and joined the Conservative or Democratic party to Headquarters for punishment; and, considering the report extraordinary, if true, I called at Mr. Macfarland's office on Friday morning last, and asked him if it was true that he had said, since his return from Raleigh, that he had orders from Headquarters to report the names of such persons as left the Union League of this county, and joined the Conservatives, to Headquarters for punishment. He replied that he had not said that exactly, but that Maj Whittemore gave him *verbal* orders, when he was in Raleigh last, to report the names of such colored persons as left the Leagues and joined the Conservatives to him at Raleigh; that the Major said nothing about punishment of course, said he, I know he could not punish for that. Mr. Macfarland said that he was willing to have the orders as before recited published. He was not positively sure, but his recollection was that no names were referred to in his orders except those of colored persons.

Mr. Macfarland further informed me that Major Whittemore is the officer who was through this county on inspection duty some months ago.

R. TYLER BENNETT.

An officer of the Bureau in this city denies positively that Maj. Whittemore gave the instructions to Macfarland, which Macfarland charges upon him as above. The statement by Col. Bennett, no one will doubt.—*Sentinel.*

JUDGE OULD, of Virginia, the late Confederate Agent, has published a letter in the *National Intelligencer*, in which Gen. Grant is made wholly responsible for the refusal of the U. S. government to exchange prisoners during the war, and, consequently, for the sufferings of the U. S. soldiers in Southern prisons.

From the National Intelligencer.

RELEASE OF PRISONERS SENTENCED BY A MILITARY COMMISSION.

There are several murder cases pending before the President, in which the Executive clemency is prayed for, where in the military authorities have assumed jurisdiction, and whilst the civil courts of the Southern States were open, and competent to try issues of law and fact involved.

One of the most remarkable cases of this class is that of Wm. J. Tolar, Thomas Powers, and David Watkins, found guilty and sentenced to be hanged by a military commission, at Raleigh, North Carolina, for the murder of Archy Beebe, a negro man.

These prisoners were arrested conjointly with Duncan G. McRae and Samuel Phillips, as to whom a *nolle prosequi* was entered Phillips turning State evidence, and it being decided by the military commission that there was no evidence implicating McRae.

The facts of the case, as admitted substantially by prosecution and defence, are: That on Sunday evening, 10th of February, 1867, a respectable white girl, Miss Massey, returning from church to her home, in the vicinity of Fayetteville, North Carolina, was met in the suburbs of the town, assaulted, dragged from the public highway, and brutally outraged; that, on the same day, one Archie Beebe, a colored man, was arrested by the police of Fayetteville, charged with the crime, and the next day was brought before magistrates for preliminary examination; at the examination Beebe was fully identified by the oath of the young lady upon whom the assault had been committed, and by other testimony, and was by the magistrates committed to await his trial at the next term of the Superior Court for Cumberland county. The report of the crime produced great indignation in the minds of the people of the community, and a large crowd both white and colored, assembled to hear the preliminary examination above mentioned. After the examination the young lady Miss Massey, passed through the crowd from the court room to a carriage, and a handerchief falling from her neck revealed the marks of the brutal clutch of the ravisher's fingers upon her throat; and the rest the crowd, already excited, became furious with indignation.—The prisoner, brought out a few moments after, was killed by a pistol-shot, fired from the midst of the crowd.

Shortly afterwards the defendants, Tolar *et al.*, were arrested by order of Gen. Sickles, then commanding the Second Military District, and were, in July following, tried before a military commission, as already stated.

A large number of witnesses were examined, and the testimony generally was of a conflicting character, some of the witnesses for the prosecution swearing that Tolar fired the shot, and that Powers and Watkins joined in the assault. On the other hand, a majority of the witnesses for the defence testified positively that they heard the report of the pistol, but that he had nothing to do with the attack on Beebe. Some of the witnesses swore unqualifiedly that they saw the shot fired by Phillips, as to whom a *nolle prosequi* was entered, as a reward for his turning State's evidence.

From the weight of testimony it does not appear probable that either of the parties convicted—Tolar, Powers, and Watkins—had anything to do with the shooting; but it does appear that Phillips, who was acquitted, probably fired the pistol. Three members of the commission recommend Powers and Watkins to Executive clemency.

The Judge Advocate of the Second District, upon review of the case, recommends that the death sentences be mitigated to imprisonment for twenty years.

General Canby directed that the accused be imprisoned in Fort Macon for fifteen years; and they are now executing that sentence in that prison.

The Judge Advocate of the Second District, in reviewing the case, says that while the brutal outrage committed by Beebe was not a legal palliation of the murder, of which it may have been the exciting cause, yet it is competent and reasonable for the reviewing "authority to consider facts" in determining the character of punishment that shall be inflicted upon the prisoners.

"Ten thousand of the most respectable citizens, many of them members of the Masonic order, in North and South Carolina, joined by a great many ladies and colored persons, send petitions to the President to pardon the prisoners. They do not believe the accused guilty, and they say they know Tolar to be peaceable, honest, and moral—a highly respectable, Christian gentleman, and a near relative of the outraged young lady; that Powers is the uncle of Miss Massey, and her nearest protector, her father being dead; and the petitioners argue that even if the prisoners did shoot Beebe, they submit that the outrage committed on a highly respectable female—a near relative—was in itself a circumstance which should mitigate the punishment of the accused, who have already been imprisoned over a year. That the negro Beebe was guilty of the outrage is admitted by all, and he received as a punishment for this brutal act the penalty provided by law—death—and the only objection to that result is found in the mode by which it was accomplished.

It is further argued, in behalf of the defendants that there was no reasonable ground for the interposition of the military court; that no respectable officer of the United States army has ever intimated that justice has not been invariably administered, fairly and impartially, in the Superior Court of law, to which Beebe had been committed to answer; and that in this case the military, by order of General Sickles, thought proper to take cognizance before any civil court having power and jurisdiction of the alleged offence *could act*; when, too, the jurisdiction of civil courts had already attached nearly one month before the passage of the reconstruction act under which General Sickles claimed to get his authority; and, futher, that a jury of the vicinage could have much better decided the case than a military commission composed of strangers; and, in conclusion, it is argued, that according to the showing of the testimony as made by the military authorities themselves, this military court has reversed the well settled rule of criminal law, namely; that all doubts shall be resolved in favor of the prisoner.

Upon full consideration of the case, the President to-day sent to the Secretary of War the following order:

"The unexecuted portion of the sentence in each of the cases of William J. Tolar, Thomas Powers and David Watkins, as mitigated on the 6th day of November, 1867, by Brevet Major General E. R. S. Canby, while commanding the Second Military District, is hereby remitted and the Secretary of War will issue the necessary orders for their release from military imprisonment.

ANDREW JOHNSON."

UNIVERSAL
LIFE INSURANCE COMPANY,

NO EXTRA CHARGE FOR FEMALE RISKS.

LOSSES PAID IN THIRTY DAYS.

No Restrictions on Travel or Residence

OF NEW YORK.
Office, No. 60, Liberty Street.

The Original Joint Stock Life Insurance Company in the United States.

The Business of this Company is exclusively confined to the Insurance of First Class, healthy lives.

The Distinctive Feature

Of the STOCK system of Life Insurance, as opposed to the Mutual, is a low rate of premium, for stated sums insured, which is **immediate, sure and certain**, in lieu of a high rate of premium and *promised* dividend, which is distant, contingent and uncertain—this so-called dividend being merely a return of a portion of the excessive and unnecessary premium charged in the first instance.

☞ The premiums charged by the "UNIVERSAL" are nearly one-third lower than those charged by the Mutual Companies.

The "UNIVERSAL" desires to call the particular attention of Agents and others to the new "Return Premium Table," which has been prepared by the Actuary of the Company. It will be noticed that these Rates average less than the ordinary rates charged by Mutuals. The inducements offered by this table are equal to a reversionary dividend of one hundred per cent. of all premiums paid.

Rates to Secure $1,000 at Death, with a Return of all Premiums paid.

Age.	Ordinary Life Rate.	Ten Payments Rate.	Age.	Ordinary Life Rate.	Ten Payments Rate.
22	$21 85	$27 48	45	$53 16	$79 18
30	25 70	39 60	50	74 57	104 27

40	40 87	64 44	60	163 95	201 07

Example.—A man aged 30 insures his life for $1,000, and pays 43.10 per annum on the 10 payment plan, and dies after having paid five annual payments, or $215.50, his policy will be good for $1,215.50.

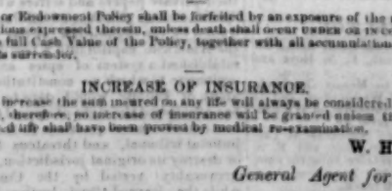
NON-FORFEITING CASH RATES
OF THE
ÆTNA LIFE INSURANCE COMPANY,
OF HARTFORD, CONN.

ASSETS, $10,000,000.

$130 to pay every 100 of Liabilities.



DIVIDEND, Fifty per Cent.

57,000 Members, and constantly increasing.

DESCRIPTION OF POLICIES.

First.—Whole Life Policies.
Second.—Endowment Policies, for terms of ten, fifteen, twenty, twenty-five, thirty, and thirty-five years.

AGES.

Insurance will be granted at all ages from fifteen to sixty years.

PREMIUMS.

Premiums are payable annually during the continuance of the insurance, or annually during a period of five, ten, fifteen, or twenty years within the insurance term; or by single payment.

DIVIDENDS.

All Whole Life and Endowment Policies, issued at the published rates, will participate in the surplus from the date of issue.

The dividends will be declared and paid annually upon the contribution plan, and may be applied as the assured shall elect, either to reduce future premiums, or to increase the Cash Value of the Policy.

If no election be made, the dividends will always be added to the Cash Values.

When, by adding the dividends to the Cash Value, the accumulations on any Policy shall have become sufficient to keep the same in force for its *full amount* without further payments, the assured may at his option, either continue payment of premiums—and enlarge thereby the annual additions to its Cash Value—or discontinue them; and in either case when the accumulations shall have become equal to the sum insured, the annual dividends on the Policy will be declared as a percentage of said sum, and *paid in cash*, and upon surrender of said Policy the sum insured thereby, will be paid in *full*, without regard to the time fixed therein for its payment.

This system of applying the dividends is peculiarly advantageous to the assured, securing, at an increased age, not only relief from further payment of premiums, but, at the same time, an annual income until death, unless he shall have previously received full payment of the Policy.

Dividends on paid-up Policies—that is, Policies which require no further payment of premium to continue them in force for the original amount of insurance—will be paid in cash upon demand.

NON FORFEITURE RULES.

No Whole Life or Endowment Policy, on which two or more annual cash premiums have been paid, shall be forfeited by failure to make further payments, as stipulated therein, but will continue in force for the full amount which the Cash Value and dividends then accumulated, will purchase—taken as a single net premium upon the "Actuaries" rate of mortality and four per cent. interest; and the amount continued in force will generally exceed the aggregate of the payments actually made, extra charges excepted.

No Whole Life or Endowment Policy shall be forfeited by an exposure of the assured life in violation of the conditions expressed therein, unless death shall occur UNDER OR IN CONSEQUENCE of such exposure, when the full Cash Value of the Policy, together with all accumulations from dividends, will be paid upon its surrender.

INCREASE OF INSURANCE.

Applications to increase the sum insured on any life will always be considered as applications for new insurance and, therefore, no increase of insurance will be granted unless the unimpaired condition of the assured life shall have been proved by medical re-examination.

General Agent for the State,

THE NATIONAL DEMOCRATIC CONVENTION!

THE PLATFORM.

"The Democratic party, in national convention assembled, reposing its trust in the intelligence, patriotism, and discriminating justice of the people, standing upon the Constitution as the foundation and limitation of the powers of the Government, and the guaranty of the liberties of the citizen, and recognizing the questions of slavery and secession as having been settled, for all time to come, by the war or the voluntary action of the Southern States in constitutional conventions assembled, and never to be renewed or re-agitated, do, with the return of peace, demand:

First.—Immediate restoration of all the States to their rights in the Union, under the Constitution, and of civil government to the American people.

Second.—Amnesty for all past political offences, and the regulation of the elective franchise in the States by their citizens.

Third.—Payment of the public debt of the United States as rapidly as practicable; all moneys drawn from the people by taxation, except so much as is requisite for the necessities of the Government, economically administered, being honestly applied to such payments, and where the obligations of the Government do not expressly state upon the face, or the law under which they were issued does not provide that they shall be paid in coin, they ought, in right and in justice, to be paid in the lawful money of the United States.

Fourth.—Equal taxation of every species of property according to its real value, including Government bonds and other public securities.

Fifth.—One currency for the Government and the people, the laborer and the officeholder, the pensioner and the soldier, the producer and the bondholder.

Sixth.—Economy in the administration of the Government; the reduction of the standing army and navy; the abolition of the Freedmen's Bureau (great cheering) and all political instrumentalities designed to secure negro supremacy; simplification of the system and discontinuance of inquisitorial modes of assessing and collecting internal revenue, so that the burden of taxation may be equalized and lessened, the credit of the Government and the currency made good; the repeal of all enactments for enrolling the State militia into national forces in time of peace; and a tariff for revenue upon foreign imports, and such equal taxation under the internal revenue laws as will afford incidental protection to domestic manufactures, and as will, without impairing the revenue, impose the least burden upon and best promote and encourage the great industrial interests of the country.

Seventh.—Reform of abuses in the Administration, the expulsion of corrupt men from office, the abrogation of useless offices, the restoration of rightful authority to and the independence of the executive and judicial departments of the Government, the subordination of the military to the civil power, to the end that the usurpations of Congress and the despotism of the sword may cease.

Eighth.—Equal rights and protection for naturalized and native born citizens at home and abroad; the assertion of American nationality which shall command the respect of foreign Powers, and furnish an example and encouragement to people struggling for national integrity, constitutional liberty, and individual rights; and the maintenance of the rights of naturalized citizens against the absolute doctrine of immutable allegiance and the claims of foreign Powers to punish them for alleged crime committed beyond their jurisdiction.

In demanding these measures and reforms we arraign the Radical party for its disregard of right, and the unparalleled oppression and tyranny which have marked its career. After the most solemn and unanimous pledge of both Houses of Congress to prosecute the war exclusively for the maintenance of the Government and the preservation of the Union under the Constitution, it has repeatedly violated that most sacred pledge, under which alone was rallied that noble volunteer army which carried our flag to victory.

Instead of restoring the Union, it has, so far as is in its power, dissolved it, and subjected ten States, in time of profound peace, to military despotism and negro supremacy.

It has nullified there the right of trial by jury; it has abolished the *habeas corpus*, that most sacred writ of liberty; it has overthrown the freedom of speech and the press; it has substituted arbitrary seizures and arrests, and military trials and secret star chamber inquisitions for the constitutional tribunals; it has disregarded in time of peace the right of the people to be free from searches and seizures; it has entered the post and telegraph offices, and even the private rooms of individuals, and seized their private papers and letters without any specific charge or notice of affidavit, as required by the organic law; it has converted the American capitol into a bastile; it has established a system of spies and official espionage to which no constitutional monarchy of Europe would dare to resort; it has abolished the right of appeal on important constitutional questions to the supreme judicial tribunal, and threatens to curtail or destroy its original jurisdiction, which is irrevocably vested by the Constitution, while the learned Chief Justice has been subjected to the most atrocious calumnies merely because he would not prostitute his high office to the support of the false and partisan charges preferred against the President. Its corruption and extravagance have exceeded anything known in history, and by its frauds and monopolies it has nearly doubled the burden of the debt created by the war. It has stripped the President of his constitutional power of appointment even of his own Cabinet. Under its repeated assaults the pillars of the Government are rocking on their base, and should it succeed in November next, and inaugurate its President, we will meet, as subjected and conquered people, amid the ruins of liberty and the scattered fragments of the Constitution; and we do declare and resolve that ever since the people of the United States threw off all subjection to the British Crown, the privilege and trust of suffrage have belonged to the several States, and have been granted, regulated, and controlled exclusively by the political power of each State respectively, and that any attempt by Congress, on any pretext whatever, to deprive any State of this right, or to interfere with its exercise, is a flagrant usurpation of power which can find no warrant in the Constitution; and if sanctioned by the people will subvert our form of government, and can only end in a single centralized and consolidated Government, in which the separate existence of the States will be entirely absorbed, and an unqualified despotism be established in place of a federal union of co equal States; and that we regard the reconstruction acts (so called) of Congress as usurpations, and unconstitutional, revolutionary, and void; that our soldiers and sailors, who carried the flag of our country to victory against a most gallant and determined foe, must ever be gratefully remembered, and all the guarantees given in their favor must be faithfully carried into execution.

That the public lands should be distributed as widely as possible among the people, and should be disposed of either under the pre-emption or homestead laws, and sold in reasonable quantities, and to none but actual occupants, at the minimum price established by the Government. When grants of the public lands may be allowed necessary for the encouragement of important public improvements, the proceeds of the sale of such lands, and not the lands themselves, should be so applied.

That the President of the United States, Andrew Johnson, (applause,) in exercising the power of his high office in resisting the aggressions of Congress upon the constitutional rights of the States and the people, is entitled to the gratitude of the whole American people, and in behalf of the Democratic party we tender him our thanks for his patriotic efforts in that regard."

CONSTITUTION AND BY-LAWS FOR CLUBS.

We have received letters from several sources, requesting us to send printed copies of a Constitution and By Laws for the organization of Seymour and Blair Clubs.—Having none on hand, and no funds to print them, we have prepared the following Constitution and By Laws, as a guide for Clubs, and submit them to the consideration of our friends. They were submitted to the Young Men's meeting to form a Seymour and Blair Club, in this city, on Tuesday night, and unanimously adopted:

CONSTITUTION.

ARTICLE 1st. This Association shall be styled the —— Club of —— of North Carolina.

ART. 2. The objects of this Association are as follows: To unite in close political compact every Democrat, Conservative, or by whatever name known, in North Carolina for the support and defence of the Constitution of the United States; the promotion of the peace and good will of society and the harmony of the Union; the proper enforcement of law and order by legitimate forms, and the utter destruction of Radicalism everywhere, by the election of Horatio Seymour, of New York, as President, and FRANCIS P. BLAIR, of Missouri, as Vice President, and all other Democratic and Conservative nominees for any office; and, further, to promote the mutual benefit and protection of each other in all lawful pursuits, aiding each other in business, as being members of one great political family, seeking to promote each other's welfare, and especially to extend such aid to those who have been or may be ignored or proscribed by the Radical party, as the Association may be able.

ART. 3. The officers of this Club shall consist of a President, three Vice Presidents, a Recording Secretary, a Co responding Secretary and a Treasurer, who shall perform the duties usual to such offices, and who, together with Five Directors, shall be elected annually at the annual meeting of the Association, and shall constitute an Executive Board, to whom shall be committed the interests of the Club.

ART. 4. This Constitution, and such By-Laws or Regulations as the Club may adopt may be altered, amended or changed at any public meeting of the Club by a vote of two thirds of the members present.

SUBSCRIPTION.

We, whose names are hereto annexed, do solemnly pledge our word and sacred honor, constantly and faithfully to promote the objects and aims of the Club as set forth in the foregoing Constitution, and do hold ourselves ready to defend the same, and to protect, to the extent of our ability, every member of this Association throughout the State.

BY-LAWS AND REGULATIONS.

1. Every member of this Club shall sign and subscribe the Constitution, in order to recognition.

2. All monied contributions to the objects of the Association shall be voluntary, and shall be held by the Treasurer, who shall keep an exact account and disburse the same only on the order of the Executive Board, to whom he shall submit his accounts when ordered.

3. The Club shall order its public meetings when and where it chooses and the President may call meetings when desirable, but the Executive Board, or such of its members as may be designated, shall select speakers and make all necessary arrangements.

4. Each member of the Executive Board is hereby appointed a Committee to solicit names for membership, who should keep lists for the objects of the Club, and to attend to the general interests of the Club, such as distributing the correspondence, procuring and circulating documents, &c.

5. The Executive Board shall meet to transact the private business of the Club as often as it may order, (and the officers of the Club shall be *ex-officio* officers of the Board,) when the names of members shall be presented for registration or dismissal for good cause, to consider the financial business of the Club and such other private matters as may be necessary. All members of the Club may attend the private sessions of the Board when convenient and may give counsel, but the business of the Board will be determined by the vote of the Board itself.

6. Any member of the Club intending to move to any other section, may obtain a certificate of his membership in the Club, if he desire it, to be signed by the President and Secretary.

7. The Executive Board of each Club will give special attention to all matters of registration, voting, &c., see that all do their duty, and that the Law is strictly observed, that all fraud or mal-practice is detected and duly punished.

REMARKS.

1. In South Carolina, Georgia, Mississippi and other Southern States, strong Democratic Clubs are being formed, composed of colored citizens. The Constitution above is so worded that it can be adapted to any place or persons. If Democratic Clubs can be formed entirely of colored persons, perhaps it will be best; but where there are few, the Clubs may decide to enter them on their registers or not, as they may elect.

2. We would suggest that Young Men's Clubs, everywhere, should embrace all young men, from 18 years of age, and upwards. Many old men are faint-hearted, timid, afraid to let people know their political *status*. Take in the young men, who have the pluck, and who may be educated to *love* the Constitution and the country, and who will always vote right, when they become of age. We need the ardor and boldness of youth, as well as the prudence and wisdom of age. The necessity for this, however, would be obviated, if the young men, under the age of 21, would form Clubs of their own.

3. We insist upon forming Clubs in every Ward, in every precinct and Captain's District in the State, where 25 or 30 members, and as many more as possible, can be obtained. The more the better. The talent and energy of all our people must be brought out. It will not do to let the old men and the old party managers do all the managing and the talking. We *must put every man* in some position to be useful. By having a Club in every Ward and every neighborhood, we can find room for a great many as officers and talkers and working men. We can have our Club meetings out of doors, these pleasant nights, by moonlight or camp fires, and there will be a chance for *every man*, who can make a talk, or a little speech, or a great speech, to do something in that line. Let the Clubs be formed, bring out all our men to work for the Constitution and the country, and let us save them by the election of Seymour and Blair!

GENERAL REMARKS.

Revenue stamps may be used indiscriminately upon any of the matters or things enumerated in Schedule B., except proprietary and playing card stamps, for which a special use has been provided.

Postage stamps cannot be used in payment of the duty chargeable on instruments.

It is the duty of the maker of an instrument to affix and cancel the stamp thereon. If he neglects to do so, the party for whom it is made, may stamp it before it is used; and if used after the 30th of July, 1864, and used without a stamp, it cannot afterwards be effectually stamped. Any failure upon the part of the maker of an instrument, to appropriately stamp it, renders him liable to a penalty of two hundred dollars.

Suits are commenced in many States by other process than writ, viz: summons, warrants, publication, &c., in which case these, as the original process, severally require stamps.

Writs of scire facias are subject to stamp duty as original process.

The jurat of an affidavit, taken before a Justice of the Peace Notary Public, or other officer duly authorized to take affidavits, is held to be a certificate, and is subject to a stamp duty of five cents, except when taken in suits of legal proceedings.

Certificates of loan in which there shall appear any printed or written evidence of an amount of money to be paid on demand or at any time designated, are subject to stamp duty as Promissory Notes.

The assignment of a mortgage is subject to the same duty as that imposed upon the original instrument; that is to say, for every sum of five hundred dollars, or any fractional part thereof, of the amount secured by the mortgage, at time of its assignment, there must be affixed a stamp or stamps, denoting a duty of five cents.

When two or more persons join in the execution of an instrument, the stamps to which this instrument is liable, under the law, may be affixed and cancelled by one of the parties.

In conveyance of real estate, the law provides that the stamp affixed must answer to the value of the estate or thing conveyed.

No stamp is required for warrant of attorney accompanying a bond or note, when such bond or note has affixed thereto the stamp or stamps denoting the duty required and whenever any bond or note is secured by mortgage, but one stamp duty is required on such papers, such stamp duty being the highest rates required for such instruments, or either of them. In such case a note or memorandum of the value or denomination of the stamp affixed should be made upon the margin or in the acknowledgment of the instrument which is not stamped.
